

# HAM RADIO CLASS

The SC4 Amateur Radio Club is offering a two day class Saturday, March 3 and Sunday March 4 from 9:00 to 4:30 for everyone who would like to prepare for the Technician Class license exam. Getting your amateur

radio license is easy and fun, and there's no longer a requirement to know Morse code: It's a simple, 35 question multiple-choice test.

Pre-registration is required. Class fee of \$25 includes text book and materials. For more information or to sign up: Contact Peter Chupity before February 18 by calling 747-0316 or by email <ki6fao@arrl.net> or visit <<http://www.sc4arc.org>>.
