

Come to the February 18 meeting of the SC4 Amateur Radio Club and **Meet ARRL Pacific Division Director Bob Vallio W6RGG**

Bob will tell us what's new in the Pacific Division of the Amateur Radio Relay League and also about his participation in the 2007 DXpedition to Scarborough reef, in the South China Sea. It's a tale of incredible logistics, of travelling a third of the way around the globe to complete 45,830 radio contacts while perched on a rock, and of pirates.

The club meeting starts at 10:00 AM and runs until noon at the board room at Pescadero High School, 360 Butano Cutoff in Pescadero. All are invited.
