

HAM RADIO CLASS

The SC4 Amateur Radio Club is offering a two day class Saturday, April 6 and Sunday April 7 from 9:00 to 4:30 for everyone who would like to prepare for the Technician Class license exam. Getting your amateur radio license is

easy and fun, and there's no longer a requirement to know Morse code: It's a simple, 35 question multiple-choice test.

Pre-registration is required. Class fee of \$25 includes text

book and materials. For more information or to sign up: Contact Peter Chupity before March 23 by calling 747-0316 or by email <ki6fao@arrl.net> or visit <<http://www.sc4arc.org>>.
